

#### Questions:

- 1) Do we need to track email or other contact info over time, or is current info sufficient?
- 2) Should we track the level passed for each class, or should we only track highest level for a skater?
- 3) username field? Or use email? If use email, and it changes, what do we do? Allow email updates in profile?
- 4) Need to add and track payment details and paypal conf numbers
